Please select the area that your entry can relate to – you can select multiple regional areas that apply

Country

In the case of a single country entry

Please briefly explain why the nominated company should win:

Section 3 – The Entry

1. Outline your sustainability-focused APF programme, including how it incorporates ESG (Environmental, Social and Governance), DEI (Diversity, Equity, and Inclusion) or any other sustainability framework.
2. How does the project ensure that identified sustainability goals are met while benefiting both buyers and suppliers?
3. What specific metrics or KPIs did you employ to gauge the success of this project? Please provide quantitative results as much as possible.
4. Describe any collaborative efforts (with suppliers, providers or other third parties) that enhance sustainability practices and success of the programme.
5. How have internal stakeholders contributed to the success of the programme?
6. Detail the feedback from suppliers regarding the sustainable aspect of the programme and, if present, any measurable improvement in the sustainability of their operations, social or environmental impact.
7. What challenges were encountered when integrating sustainability within the programme, how were they overcome to benefit all stakeholders?
8. Discuss how this project serves as a model for sustainable practices in your industry.
9. Do you have any additional comments?
10. Upload any supporting documents (.pdf format).

Data Sharing Consent

I hereby consent to the use and communication of my personal data to the SCF Community Team and jury members. I agree to receive information regarding their services and confirm my compliance with the data protection regulations applicable within Europe.
